

UHHRAH New blacktop on Osage Road from the farm to Elk Run Road just in time for strawberry season. Best way to the farm is from Elk Run Road, yeah the barricade says closed to through traffic, but is open to our farm. Come on down, the road is fine and so are strawberries.

PS it's a bother to get to the farm from Raymond road for now, it is also getting reworked and blacktopped. When its all done will be super, for now use Elk Run Road to Osage Rd to the farm
